

Retail and Consumer Goods

The global retail and consumer goods team at Hogan Lovells works with the world's most recognized brands. We advise businesses at every level — from business restructuring to marketing, distribution, and operations. We understand the complexities behind e-commerce, privacy, data transfer, mobile payments, and real estate law.

Our lawyers know the market conditions and the issues and challenges you face. From initial planning to opening and running stores and online shops across the globe, we can help make your venture a success no matter where you are.

We know traditional retail businesses and e-tailers. We also work with institutional investors investing in retail businesses and retail-related commercial real estate, and project developers and banks operating in the retail sector.

Representative experience
