

## Jorge Diaz-Silveira

Office Managing Partner

Miami

### Biography

Jorge Diaz-Silveira is the Managing Partner of the Hogan Lovells Miami office and Practice Area Leader (Americas) of the Infrastructure, Energy, Resources, and Projects Group. For more than 30 years, Jorge Diaz-Silveira has been working with clients to successfully construct, finance, develop, purchase, and sell an array of projects and businesses in a variety of industries, including real estate, electricity, agriculture, food services, transportation, water, and oil and gas.

Jorge works with clients, including sellers, purchasers, sponsors, developers, contractors, and other parties involved in infrastructure, who turn to him for his in-depth understanding of the issues that matter most in infrastructure and other sectors.

Jorge has worked on all aspects of projects, including acquiring and selling companies and developing and financing projects. Jorge can navigate and provide counsel on many types of contracts, such as loan agreements; stock and asset purchase and sale agreements; engineering, procurement, and construction (EPC) agreements; operations and maintenance (O&M) agreements; joint venture agreements; and development agreements. He also helps domestic and international clients with technical services agreements, license agreements, procurement contracts, and design/build agreements in projects
