

Kirsten Barber

Professional Support Lawyer
London

Biography

Kirsten has over 20 years' experience working in the Corporate Insurance Team, originally as a transactional lawyer and now as the professional support lawyer for the team. She deals with legal queries, manages and maintains our know-how, organises and delivers training for colleagues and assists with business development for the practice.

Kirsten is the editor of the monthly corporate insurance newsletter and the insurance legal risk horizon spotters. She has assisted with the editing of each edition of the *Practitioners Guide to the Regulation of Insurance* published by *Thomson Reuters*.
