

A futuristic car interior with a laptop on the passenger seat and data on the driver's seat backrest. The car has a white interior with black and tan seats. The dashboard is a wide, curved screen displaying various data points. The steering wheel is a simple ring with a yellow grip. The windows are large and clear, showing a bright blue sky.

A photograph of several light-colored wooden puzzle pieces scattered on a dark, textured wooden surface. The pieces are out of focus, with some in the foreground and others receding into the background. A semi-transparent blue trapezoidal shape is overlaid on the left side of the image, containing white text.

Director, Technology and Innovation Policy
at Toyota Motor North America

A man with curly hair and a beard, wearing a dark suit and a red tie, is sitting at a table and looking towards a woman. The woman has long dark hair and is wearing a black blazer over a white shirt. They are in a modern, well-lit indoor setting, possibly a cafe or office lounge, with a potted plant and a lamp visible in the background. A dark green semi-transparent banner is overlaid at the bottom left of the image.
